**January 30, 2010**

**Love is Patient, Love is Kind**

Marriage is a sacred institution. Marriage also takes work and every marriage encounters difficulty. Sometimes those difficulties threaten the health of the marriage. If you are experiencing marital difficulty, consider "Retrouvaille", a Catholic based marriage recovery program.

The word "Retrouvaille" is a French word meaning rediscovery. The program offers tools needed to rediscover a loving marriage relationship. Thousands of couples headed for cold, unloving relationships or divorce have successfully overcome their marriage problems by attending the program.

The main emphasis of the program is on communication in marriage between husband and wife.

For more information, log on to [www.retrouvaille.org](http://www.retrouvaille.org).
